

EARL STEVENS

SELECTIONS

Earl Stevens Selections Wines are owned and produced by multi-platinum recording artist Earl "E-40" Stevens in the heart of California's wine country.

FUNCTION RED

This red blend wine opens with jammy aromas of raspberry and plum with subtle hints of spice and the toasty aromas of oak and vanilla. The flavors are a delicious array of ripe fruit and balanced acidity with the sweet headiness of French oak.

SWEET RED

This sweet red wine is mostly Cabernet Sauvignon with Zinfandel and Syrah. It has aromas of ripe blackberry, cherry and strawberry. The flavors are jammy, juicy and sweet with a balanced finish.

MOSCATO

The aroma of this wine is over the top. The floral aromas pour out of the glass in cacophony of honeysuckle, gardenia, orange blossom, white cherry, apple, pear and peach. WOW, this wine smells good.

TROPISCATO

Tropiscato wine captures the aromas and flavors of tropical fruits that are balanced by a crisp and refreshing finish!

MANGOSCATO

Not your typical Moscato; ripe mango leaps from the glass, with a noticeable amount of other citrus fruits and full flavored on the palate.

PIÑASCATO

Piñascato has the classic aromas of a Piña Colada. The sweet aroma of pineapple and the classic floral character of moscato are balanced against a nutty, toasted coconut aroma. Not too sweet and just the right acidity make this the perfect beach beverage!

PINOT NOIR

Earl Stevens Non-Vintage Pinot Noir is a deep garnet color, showcasing aromatics of dark cherry, raspberry, sweet vanilla, and bramble. The juicy palate hosts a flavor of deep plum, cherry compote, pomegranate, dried cranberries, cardamom, and dried herb notes.

CHARDONNAY

This buttery and oaky California Chardonnay is refreshingly delicious. Always best when shared with friends, this wine delivers on its own, or alongside your favorite meal.
