

EARL STEVENS

SELECTIONS

Earl Stevens Selections Wines are owned and produced by multi-platinum recording artist Earl "E-40" Stevens in the heart of California's wine country.

PIÑASCATO

Piñascato has the classic aromas of a Piña Colada. The sweet aroma of pineapple and the classic floral character of moscato are balanced against a nutty, toasted coconut aroma. Not too sweet and just the right acidity make this the perfect beach beverage!

MANGOSCATO

Not your typical Moscato; ripe mango leap from the glass, with a noticeable amount of other citrus fruits; full flavored on the palate, and it has quite the punch on the end; serve as an aperitif. headiness of French oak.

TROPISCATO

Tropiscato wine captures the aromas and tasting notes of tropical fruits that are balanced by a crisp and refreshing finish.
